GeoGebra Classic ?

- Graphing
- Геометрия
- 3D графика
- CAS калькулятор
- Spreadsheet
- Probability
- Экзамен

Загрузить

The image shows the GeoGebra Classic software interface. At the top, there is a blue title bar with the text "GeoGebra Classic" and standard window control buttons. Below the title bar is a toolbar with various icons for drawing and editing. The main area is a coordinate plane with a grid, showing the x and y axes. On the right side, a menu is open, listing different views: Graphing, Геометрия (Geometry), 3D графика (3D Graphics), CAS калькулятор (CAS Calculator), Spreadsheet, Probability, and Экзамен (Exam). At the bottom, there is a keyboard interface with buttons for variables (x, y, z), constants (pi, e), numbers (0-9), and mathematical symbols (<, >, <=, >=, =, <, >, <-). The keyboard also includes a "Загрузить" (Load) button.
